Vice President

**With Taylor Johnson since:** 1999

**People around the office come to me for:**

Personally – movie reviews; Professionally – I've been doing this so long, I'm a walking real estate media database.

**When I was growing up I thought I'd be:**

A gymnast, I mean journalist. ("When Harry Met Sally" fans will get this). Seriously, I thought I'd be a magazine writer in NYC.

**Three words that describe me are:**

Curious, fun, creative

**Proudest TJ moment:** It's a tie between seeing my pitch on international investors turn into a front cover story in the Wall Street Journal for MACK Companies and helping Englewood Construction accept its award for best construction blog by the Construction Writers Association.

**I never thought I'd be:** Shooting the breeze with Donald Trump Jr. and Eric Trump on the roof of Trump International Hotel & Tower.

**Favorite Halloween costume:** Bouvier sisters – Patty and Selma, plus Marge Simpson

**My guilty pleasure is:** Watching the Bravo channel. Jeff Lewis, Andy Cohen and all the Housewives (except Miami) are my addiction.

**What I like most about TJ:** The nature of our business. Real estate is fascinating.

**Most people don't know that:** I won a blue ribbon at the Illinois State Fair for a latch-hook rug during my days in 4-H.
