

## Julie Grange

Administrative Assistant

---

**With Taylor Johnson since:** 2011

**People around the office come to me for:**  
A bit of everything.

**My guilty pleasure is:** Graeter's Black Raspberry Chocolate Chip

**Three words that describe me are:**  
Dependable, open-minded, genuine

**Favorite Chicago building:** Chicago Cultural Center - Preston Bradley Hall and the Tiffany dome are breathtaking.

**Favorite Halloween costume:** Margot Tenenbaum.

**On my playlist:** Most recently, I've been listening to Stevie Wonder's *Songs In The Key Of Life* on repeat.

**My favorite app:** Twitter. I know.

**What I like most about TJ:** is how very family-friendly it is.

**The worst job I ever had was:** Working the 3 to 9 shift after school at a catalogue ordering service in a cramped room with 40 phone lines, answering calls and taking orders. I dreaded the days I was assigned to Line 1 – the phone rang the moment I hung it up.
