

Mary Giovingo

Accounting Manager

With Taylor Johnson since: March 2015

Three words that describe me are: Strong, caring and loveable.

When I was growing up I thought I'd be:
A surgeon, until I learned I didn't have the heart to see people suffering.

I never thought I'd be: Single.

The best professional advice I received was:
My dad said once, "If you want something, have courage and faith in yourself and you can make it happen - the only one who can stop you, is you."

Favorite Chicago building: Do I have to pick one? I love the whole city skyline night lit up at night.

Favorite Halloween costume: I have two: a bag of M&M's and Vegas Showgirl.

On my playlist: I am all over the board on music- Switchfoot, Dave Matthews, Fall-out Boy, Casting Crowns, Meghan Trainor, Lady Antebellum, For King & Country, Katy Perry, Toby Mac, Britney Spears, Mercy Me, B.o.B, Uncle Cracker, Building 429, Justin Timberlake, Usher, Black Eye Peas, Maroon 5, etc.

My favorite app is: Mobile Banking & Text.

Favorite pastime: Being in the sun, by the water, and/or on a beach. Reading a book I can't put down until it is done. Flea markets, movies, and town festivals.

What I like most about TJ: The friendly, welcoming atmosphere.

Most people don't know that: Very little offends or embarrasses me, yet being the center of attention makes me uncomfortable.

My guilty pleasure is: BBQ and summertime carnny foods.
